Varsity baseball

Season ends in regionals

After a hard-fought 2-0 semifinal victory over tournament favorites Tunstall, the Raider varsity baseball team was eliminated from the Region III tournament in the finals by Alleghany High School, 10-9.

The Tunstall game was a pitcher's duel, pitting Tunstall's ace left-hander John East against Raider star pitcher, Greg Mayberry.

There was no score in the first five innings. Then, with two outs in the Raider sixth, Greg Mayberry doubled, and Coach Howard Clabough put in Phil Bollinger as a pinch runner. Kevin Ferguson hit a single to drive Bollinger across the plate.

Mayberry struck out the side in the Tunstall half of the sixth. In the seventh inning, again with two outs, the Raiders scored after Tim Bennett walked and Jody Williams singled. Jay Chenault was put in to pinch run for Bennett, and he scored the Raiders' run on a Gary Ferguson single.

Tunstall threatened to score in their half of the seventh. With runners on second and third base, a Tunstall batter hit a long fly deep to the gap in the right center field. But, right fielder Tim Bennett made a running catch and prevented the runners from advancing. With two out, the final batter hit the ball back to the mound for the game-ending out.

Mayberry gave up five hits against Tunstall, and struck out 11. East gave up nine hits and struck out 10. Leading hitters were Williams (two for four, Gary Ferguson (Two for four), Mayberry (two for three) and Paul Johnson (two for three).

The final round of the region III tournament pitted Appomattox against Alleghany, which had defeated Patrick County 10-3 in the second semifinal game.

The Raiders picked up a 2-0 lead in the third inning, which Mike Jackson led off with a hit. Tim Bennett then walked, and Gary Ferguson's single drove Jackson across home plate. Rodney Bryant then drove in the second run to give the Raiders a 2-0 lead.

The Raiders scored again in the top of the fifth, when Jody Williams singled stole second base, then scored on a Rodney Bryant single.

Alleghany then scored seven runs on five hits in the bottom of the fifth, to take a 7-3 lead.

But the Raiders roared back in the top of the sixth. Kevin Ferguson walked, then Alan Edmonds singled, followed by a Paul Johnson RBI single. Jackson then got on base on an error which also allowed another run to score. Jody Williams then drove in two runs with a double, and Gary Ferguson hit an RBI single. The Raiders held an 8-7 advantage. But in the bottom of the sixth inning, Alleghany scored three more runs, to take a 10-8 lead, on two hits and two errors.

In the top of the seventh, the Raiders came close again. Edmonds reached first base on an error, Paul Johnson singled, Jackson singled, driving in Edmonds. But the rally ended there, as the next two batters were out on a fly and a grounder.

The Raiders collected 13 hits to Alleghany's ten. Leading Raider hitters were Williams (two for five, two RBIs), Gary Ferguson (two for three, two RBIs,) Bryant (two for three, 2 RBIs), Alan Edmonds (two for four, two runs scored), Paul Johnson (two for four, one RBI) and Mike Jackson (two for four, two RBIs).

Leading hitters for the regional tourney were Gary Ferguson (.455), Jody Williams, (.429), Paul Johnson (.400) and Alan Edmonds (.333).

The Raiders finished the 1983 season with a record of 18-4-1.

Raider Review

By PHIL AGEE

The 1982 school year has been filled with excitement and accomplishments and will be remembered for many years to come.

The start of the year meant new teachers, classes and a new excitement for what the year would hold. Freshmen entered with hopes of being accepted by upper-classmen while seniors realized that they had finally reached the top.

Fall was a time filled with many activities for students. There was girls' basketball featuring the talents of senior Ruby Smith while the Raider football team overwhelmed opponents in winning the Seminole District championship. Railroad Day provided the opportunity for participation in various activities as well as relaxation for those who chose to take it easy.

December was highlighted by the Drama Club's production "Portrait of Jennie". The drama department experienced its biggest thrill, however, when "The Ugly Duckling" went to state competition at UVa.

The varsity basketball team surprised its followers by finishing second in the district and second in regional playoff action. Seniors Rick Caldwell and Kevin Ferguson were both named to the all-district team because of their accomplishments.

As spring rolled around so did responsibilities. Juniors fought the agony of taking SAT's and seniors started planning their future by applying to colleges or the armed forces. Spring meant the prom and the many hours spent signing a friend's annual. It was also a time when ACHS would capture another district championship, this time in baseball. The volleyball team also continued its winning tradition by winning the district.

The 1982-83 school year is almost over. However, the memories left by graduating seniors will remain forever. ACHS is proud of its entire student body. Where else has a school accomplished so much academically and athletically?

Golf tournament slated

There will be a Couples Twilight Captain's Choice Golf Tournament on Tuesday, June 7, at Falling River Country Club. All club members are reminded to sign up before Monday, June 6.

Tee-off time will be 6 p.m. with supper and awards to follow play. If you have any questions concerning the tournament, please call Jackie Ballowe, Doris Nash or Katurah McCormick.

Mock Trial

GOVERNMENT STUDENTS OF APPOMATTOX COUNTY HIGH SCHOOL teacher Gary Cuccio participated in a mock trial at the County Court House recently. The excercise, designed to give the students a taste of the flavor of courtroom proceedings, was presided over by retired Judge George Abbitt. Blair Smith and Jennifer Inge were the prosecutors in the trial, and Rick Caldwell and Cheryl Williams were the defenders. The defendants, Scott Sayre and Paul Chevalier, were accused of robbing a store. The student jury acquitted the defendants.

Recreation plans being finalized

The newly formed Appomattox County Recreation Department is busy making final plans for a variety of activities scheduled for the coming weeks, according to Mrs. Peggy Lawson, chairperson of the committee.

The Appomattox County Board of Supervisors budgeted funds for a recreation department in its 1983-84 allocations.

The Appomattox County Recreation Department will make available in Appomattox County a variety of recreational activities under the supervision of qualified instructors.

In most instances each activity will be offered daily for a period of two weeks. County residents will be required to pre-register for all activities. For some of the classes there will be a small fee to offset the costs of equipment and instructional personnel.

Working with Mrs. Lawson on the recreation committee are Mrs. Jeanne Clabough, Jackie Evans, Mrs. Julie Coffman, Samuel Carter, J. Franklin Vaughan, Scott Dawson, Lloyd Walton, Aulden Roach, W. R. Britton, Jr., Frank Sweet and Kitty Wade.

Bob Hudson, Physical Education Instructor at the Middle School, will be director for the summer.

"The success of the program will largely depend on the response of the people of the county," commented Mrs. Lawson.

"I have a dream," she continued. "It is that someday, in the not too distant future, Appomattox will have a really nice park with bike and nature trails, picnic areas, and space adequate for other outdoor activities. It would be great to have the area large enough for a pool," she concluded.
